

Quality Build & Project Management

SMALLER RESIDENTIAL BUILDING WORKS

**Contracts:** GPSH has also handled many smaller residential projects including kitchen installations and refurbishments, extensions, conversions and remodellings. These jobs include sites in Pinner, Uxbridge, Kenton and other sites across NW and Central London.

**Values:** These range in value from around £20,000 up to £80,000 or more.

**Clients:** These have generally been undertaken directly for private clients working from Plans and working drawings prepared by local architects and surveyors.
